Editorial Index

The 1996 Editorial Index is a valuable reference source for people in the water/wastewater industry. The comprehensive five-year index lists feature articles published in *Water Engineering & Management* from 1992 through 1996. Each article is listed alphabetically within its corresponding subject category. The entry shows the title of the article and name of the author followed by the month, year and page number of publication. Articles from June 1995 to the present can be found on Water Engineering & Management's website — http://www.waterem.com.

WATER

MANAGEMENT
Administration

A Manager's Guide to Criminal Liabilities Imposed by Environmental Laws. Kathleen L. Nooney.....**July '94 p 14**
Benchmarking: A Management Tool for Performance Improvement. R. Paul Allio and Michael K. Allio....**May '94 p 16**
Benchmarking: Eight Lessons for High Performance. R. Paul Allio and Michael K. Allio.....**June '94 p 23**
Best Business Practices and Technology as Strategy for County Utility. Tim Wiley and John Newton .....**Mar '96 p 27**
Best Professional Judgment: A Synthesis of Environmental Law, Waste Discharge, Effluent Limitations and Engineering Ethics. Salvador M. Sebasco, P.E.....**Oct '96 p 18**
Consultants Rate Market Trends, Selection Methods. *WEM* Staff...**Oct '93 p 26**
Do You Need a Remote Backup Service? Paul Neumann .....**Mar '96 p 25**
Educating Customers on the Importance of Quality Water Development, Treatment and Delivery. Nancy Parker..... .....**April '96 p 24**
Engineering Ecological Solutions: The South Florida Water Management District. *WEM* Staff .....**Feb '96 p 24**
Establishing a Maintenance Program. Donald C. Renner.....**Feb '93 p 26**
Establishing Proactive Maintenance Management. Robert Klusman ..**Jan '95 p 16**
Pennsylvania Program Helps Improve Drinking Water Safety and Quality. Phil J. Consonery.....**Mar '95 p 30**
Public-Private Partnerships Facilitated with Asset Management Planning. William D. Kingdom .....**Sep '95 p 22**
Public-Private Water Partnerships Benefit All of New Jersey. Don Correll ....**Sep '96 p 31**
QBS: Who, What, When and Why. Steven W. Polk.....**May '93 p 24**
Salary Survey. *WEM* Staff...**April '93 p 35**
Survey of America's Consulting Engineers Identifies Concerns. Richard G. Weingardt, P.E. .....**April '96 p 17**
U.S. Water Cost Easing. *WEM* Staff ....**June '96 p 22**
Use Partnering for Project Success. *WEM* Staff .....**Oct '94 p 19**
Water/Wastewater Industry: Opportunities and Challenges, The. Hampton D. Graham .....**May '95 p 44**
Water and Wastewater Cost and Rate-Setting Trends. *WEM* staff ....**May '95 p 40**
When A City Buys A Utility. Thomas A. Cloud .....**Oct '94 p 24**

Ground

Groundwater Contamination—Prevention Still the Best Medicine. Frederick Bopp III and Walter M. Leis .....**Oct '93 p 24**
Groundwater Modeling Becomes a Mainstream Tool. Frank Getchell..... .....**July '96 p 32**
How Largest Landfill Samples Groundwater. *WEM* Staff .....**Oct '92 p 29**
Optimizing Water Well Productivity and Operating Costs. Tom Sheahan and Joe Minneci.....**May '96 p 34**

Pipe Expansion Project Quickly Increases Production Capacity. Bill Swichtenberg ..... **Oct '95 p 28**
Protected Spring Source Retains Groundwater Quality. Leonard Ainsworth and James Arden ..... **May '94 p 38**
Protecting Local Supplies: Perspectives for a Regional Water Purveyor. Philip R. Chemin and Frederick O. Brandon..... **Oct '92 p 20**

Surface

Protecting Local Supplies: Perspectives from a Regional Water Purveyor. Philip R. Chemin and Frederick O. Brandon..... **Oct '92 p 20**

Reuse

Aquifer Recharge Enhanced with Rubber Dam Installations. Michael R. Markus, Curtis A. Thompson and Matt Ulukaya..... **Jan '95 p 37**
French Project Examines Wastewater Recycling Possibilities. French Technology Press Office..... **April '93 p 18**
Monitoring Reclaimed Wastewater Usage on Public Parkland Vegetation to Reduce Risks. G. Fred Lee and Anne Jones-Lee..... **Nov '95 p 28**
Pulse-Bed Sand Filters Meeting California Requirements. *WEM* staff..... **Dec '95 p 20**
Tertiary-Treated Wastewater Irrigates Monterey Peninsula's Recreational Acreage. Ian Lisk ..... **July '95 p 18**

Transmission & Storage

Artificial Recharge Enhances Aquifer Capacity. Frank Getchell and Dave Wiley ... **Nov '95 p 24**
Protecting Water Storage Tanks in an Era of Environmental Compliance. Dallas Finch..... **Nov '96 p 18**

TREATMENT

Design

Ammonia Determination in Water Treatment Plants. Shin-ichi Tokuno and John Dillon..... **March '94 p 34**
Aurora Taps, Treats 3 Water Sources. David K. Wyness and John J. Tebrugge .. **Mar '93 p 24**
Membrane Applications in Water Plants. Ian Lisk..... **Aug '95 p 16**
Multi-Stage Control System Supports German Region's Water Needs. Joachin Schillgalies and Gerhard Kreiling..... **Mar '95 p 40**
Plant by the Lake: A Model of Innovation. Ian Lisk..... **Aug '94 p 18**
Tucson Water Plant Meets Community Expectations and Tough Quality Limits. Jane Burazer and Steven N. Foellmi . **Aug '93 p 20**
Water Plant Project Battled Flood and Costs. Ian Lisk ..... **Dec '93 p 21**

Coagulation & Flocculation

Bearing Replacement Saves Many Maintenance Dollars. *WEM* staff...**Sep '95 p 18**
Coagulation and Filtration Performance Optimized With Liquid Borne-Particle Counters. Kent Horrell and Tony Sweazy ..... **Feb '96 p 22**
Custom-Blended Coagulant Reduces Costs, Improves Water Quality. Dana J. Ehlen..... **Dec '92 p 17**
Liquid/Solids Separation: The Chemicals that Make it Better. William T. Lorenz..... **April '95 p 30**
Optimizing Polymer Performance for Better Sludge Conditioning. Yong Kim ..... **July '93 p 18**
Static Mixers Improve Sludge Dewatering Process. Joseph P. Porcelli, Thomas Wojewski and Oula Shahab ..... **Nov '93 p 20**

Filtration & Solids Handling

Automated High Rate Filters Improve Performance, Reduce Costs. Morrison Coulter..... **April '95 p 42**
Cost-Effective Treatment for High Quality Water Sources: Extreme/High-Rate Serial Filtration. Craig M. Thompson ..... **Feb '96 p 18**
Distributed Control System Offers Local and Central Access. David Chapman, John O'Connor, Michael Stroshine and Mitchell Greenwald ..... **Jan '95 p 22**
Florida Treatment Plant Uses Low-Pressure Membranes. Francis E. Duran, Glenn W. Dunkleberger and Bevin A. Beaudet..... **Jan '93 p 24**
Media Bed Filtration: Painstaking Analysis of Situation Leads to a Long-Term Solution. E. Marvin Greenstein..... **Sep '96 p 24**
Membrane Applications in Water Plants. Ian Lisk..... **Aug '95 p 16**
Membrane Specialists Gather for International Conference. Ian Lisk..**May '95 p 26**
Pennsylvania Program Helps Improve Drinking Water Safety and Quality. Phil J. Consonery..... **Mar '95 p 30**
Pressure Clarifiers Help Village With Water Regs. Carl Stemisha..... **Dec '92 p 22**

Desalting, Demineralization & Contaminant Removal

Lead and Copper Rules Complicate Matters for Water Systems. Karl Kyriss ..... **May '93 p 28**
New GAC Plant On Stream in Cincinnati. Richard Miller and Garret P. Westerhoff... **Dec '92 p 20**
Novel Process Rids Groundwater of Hydrocarbons. *WEM* Staff..... **May '94 p 26**
Pilot Study Points Way to Iron/Manganese Removal. Naeem Qureshi and Al Barnes..... **Feb '94 p 18**
The Biological Activated Carbon Process for Water Purification. Bertrand W. Dussert and Gary R. Van Stone ..... **Dec '94 p 22**
Treatment Strategies for Radon in Public Water Supplies. *John K. O'Connell* ..... **Jan '96 p 26**

Disinfection

DAF and Ozone Eliminate Quality Woes, Meet New Regs. Ian Lisk ...**Oct '94 p 27**
Membrane Specialists Gather for International Conference. Ian Lisk..**May '95 p 26**
Ozonation Enhances Water Quality at Florida Utility. Glenn W. Dunkleberger and Bevin A. Beaudet ..... **May '94 p 32**
Reduction of Chlorite Concentrations in Potable Water with Ferrous Chloride. Anthony Tarquin, Glen Hansel and Douglas Rittman..... **Feb '95 p 35**
Understanding ORP's Role in the Disinfection Process. Lori L. McPherson..... **Nov '93 p 29**

DISTRIBUTION

Design

Chemical Cleaning Process for Water Systems. Martin J. Plishka, Ph.D. and Myron Shenkiryk ..... **Mar '96 p 18**
Multi-Stage Control System Supports German Region's Water Needs. Joachin Schillgalies and Gerhard Kreiling..... **Mar '95 p 40**
Multimedia Computer Applications in Control Systems. Keith R. Lenart..... **Aug '95 p 27**

Pumping

Application Possibilities Grow for Plastic Pumps. Ken Commerford ...**June '94 p 20**
Performance Factors and Installation Procedures for AWWA Butterfly Valves: Part I. Joseph W. Hoff and Albert W. Libke..... **Nov '95 p 17**
Performance Factors and Installation Procedures for AWWA Butterfly Valves: Part II. Joseph W. Hoff and Albert W. Libke ..... **Dec '95 p 29**
Residential Backflow Prevention Begins at User Connection. Wally Gross ..... **Nov '95 p 22**
Utility Crew Rehabs Pump Stations. *WEM* Staff..... **Jan '93 p 29**

Piping

Corrosion Control: Begin with pH Adjustment. Robert A. Leitch, P.E. ..... **Jan '96 p 22**
Dispelling Common Misconceptioons About Water Hammer. Frank Weis..... **June '96 p 24**
Indianapolis Water Company Goes to School. Jeff Peters, E.I. ....**Mar '96 p 34**
Making Sure Cathodic Protection Works. Jeffrey A. Schramuk and Keith Switzer .... **Feb '94 p 16**
Pinpoint Those Leaks to Save Money. David K. Smith ..... **May '94 p 22**
Performance Factors and Installation Procedures for AWWA Butterfly Valves. Joseph W. Hoff and Albert W. Libke ..... **Nov '95 p 17 and Dec '95 p.29**

Editorial Index

Research Needs for Water Distribution System Rehabilitation. Dr. Ahmad Habibian .....**Aug '94 p 25**

Metering

AMR Installation: Make Your Own Decision. Maritza Jackson.....**Aug '96 p 21**
Anatomy of a Water Meter Replacement Program. William P. McLees.....**Jan '93 p 22**
Better Large Meter Accuracy Increases Revenues, Reduces Water Loss. Mark C. Carney, John Travis and Jeffrey A. Smith .....**Jan '95 p 26**
City Benefits from AMR Decision. Dennis Zentarski.....**Jan '95 p 34**
Determining the Economical Optimum Life of Residential Water Meters. Dr. Hans D. Allender, P.E. .....**Aug '96 p 20**
Difficult Meter Reading Job Gets Quicker and Better. *WEM* staff.....**Jan '94 p 26**
Downunder Project Looks at Joint Water/Electric Metering. J. Lansley and D. Solley.....**Jan '94 p 23**
Energy Act Spurs Use of More Efficient Fixtures. Naeem Qureshi...**Sept '95 p 16**
Field Testing Electronic Meters. Tom Keel .....**Jan '93 p 27**
Hunting Down Water Leaks. Brian Dumbleton.....**Oct '96 p 27**
Improved Water Meter Technology for the 90s. Ronald N. Koch....**Feb '93 p 18**
Making a Choice: Which Ultrasonic Flow Measuring Technology? Stephen T. Lange .....**April '94 p 18**
Pipe Location Technology Has Rich History. John Chernekoff and David Toussaint.....**April '94 p 28**

Storage

Maintenance History of Four Steel Water Tanks. Walter Neumann, Jr. and Wade D. Newman .....**July '95 p 24**
Water Storage Evaluations: Are You Getting All the Answers and Getting Them Often Enough? Daniel J. Zienty ....**Jan '96 p 30**

INSTRUMENTATION

Design

Changing Roles in Control System Implementation, The. Herb D. Fiddick ....**May '95 p 46**
Feeding Good Data to a Water Distribution System Model. Donald W. Manuel and Joseph E. Thurwanger.....**Sept '92 p 32**
Integrating SCADA Systems with AM/FM-GIS Technology. Mark G. Wehmeyer..... .....**July '94 p 18**
It's Not A Gremlin, It's Harmonic Distortion. Nick Cicero .....**Oct '94 p 44**
Lightning and Surge Protection for Electronic Systems in Water and Wastewater Treatment Applications. Mike O'Neill .....**Sep '96 p 28**
Measuring Water Quality: Why a Field Fluorometer? Susan Mokelke, J.D. ....**Feb '96 p 27**
Monitoring Processes Using Wireless Data Acquisition. Steve Cheek and Richard Wilkes .....**Oct '94 p 17**
Multi-Stage Control System Supports German Region's Water Needs. Joachin Schillgalies and Gerhard Kreiling.....**Mar '95 p 40**
Reduced Voltage Starting Methods for Pumping Applications. Jeff Raefield..... .....**Jan '96 p 14**
"Smart" Control System Design. Keith R. Lenart .....**Oct '95 p 30**
Predictive pH Sensor Diagnostics. Richard Payne .....**Sept '92 p 26**
Understanding Spiders and the Role They Play in Jaw Couplings. Mark McCullough .....**July '96 p 26**
Water Utility SCADA Uses Microwave Communications. *WEM* staff ....**April '95 p 28**
What is a Fieldbus and Why Should I Care? Herb D. Fiddick.....**July '95 p 33**
Where On-Line Sensors Are Headed. Stephen A. Wortendyke .....**Aug '94 p 23**

Operations

Affordable Automation Advances California Water Companies. Steven Prestwood.....**July '95 p 28**
Computer at Water Plant Runs Second Plant by Remote Control. Cliff Preble and Tom Valorose .....**May '95 p 34**
Computer Graphics Hierarchy for Wastewater Plant Operations. Tom Valorose .. ..**June '94 p 26**
Distributed Control System Offers Local and Central Access. David Chapman, John O'Connor, Michael Stroshine and Mitchell Greenwald.....**Jan '95 p 22**
Finding the Right Instrumentation. Mark D. Weiss.....**Mar '95 p 22**
Keep Your SCADA System Working. William Biehl .....**Sep '95 p 32**
Municipal Automation Plan Takes in Water Management. *WEM* staff ....**Sept '94 p 36**
PLCs Assigned Many Tasks in Large Water Utility. *WEM* staff..... **Dec '94 p 31**
Protecting Electronic Systems from Power Supply Variations. Joe Becker ... .**Feb '95 p 42**
Upgraded Control System Prepares Plant for 21st Century. Eric J. Vandenbrouke.. ....**Oct '95 p 41**
Water Utility Lab Seeks Highest Quality. Mary Harlow .....**Aug '94 p 28**

MANAGEMENT

WASTEWATER

Administration

A Manager's Guide to Criminal Liabilities Imposed by Environmental Laws. Kathleen L. Nooney .....**July '94 p 14**
Automating Wastewater Flows for Billing: Philadelphia's Success in Process for Profit. Thomas J. Day ....**Oct '96 p 29**
Benchmarking: A Management Tool for Performance Improvement. R. Paul Allio and Michael K. Allio...**May '94 p 16**
Benchmarking: Eight Lessons for High Performance. R. Paul Allio and Michael K. Allio .....**June '94 p 23**
Best Business Practices and Technology as Strategy for County Utility. Tim Wiley and John Newton ....**Mar '96 p 27**
Best Professional Judgment: A Synthesis of Environmental Law, Waste Discharge, Effluent Limitations and Engineering Ethics. Salvador M. Sebasco, P.E.....**Oct '96 p 18**
California Plant Combines Conservation with Advanced Water Treatment. Kenneth D. Rock and Stephen J. McLeanDec '95 p 2
Consultants Rate Market Trends, Selection Methods. *WEM* Staff..**Oct '93 p 26**
Do You Need a Remote Backup Service? Paul Neumann .....**Mar '96 p 25**
Employee Ownership and the Success of Westech Engineering. Ed Carberry .. ..**Nov '96 p 29**
Engineering Ecological Solutions: The South Florida Water Management District. *WEM* Staff .....**Feb '96 p 24**
Establishing a Maintenance Program. Donald C. Renner .....**Feb '93 p 26**
Establishing Proactive Maintenance Management. Robert Klusman ....**Jan '95 p 16**
Implementing Urban Stormwater Runoff Quality Management Regulations. G. Fred Lee and Anne Jones-Lee ....**April '95 p 38**
Low Head Hydro Powers Wastewater Plant. Richard A. Schultz..**July '95 p 39**
Niagara Falls: Freedom After Thirteen Years of Hard Labor. Ian Lisk..... .....**Feb '95 p 28**
Public-Private Partnership and Process Modification Enhance Operations. Gregory H. Coboum .....**Sept '94 p 28**
Public-Private Partnerships Facilitated with Asset Management Planning. William D. Kingdom .....**Sep '95 p 22**
Public-Private Water Partnerships Benefit All of New Jersey. Don Correll ....**Sep '96 p 31**
Stormwater Runoff Management: The Need for a Different Approach. G. Fred Lee and Anne Jones-Lee..... .....**Mar '95 p 36**
Unknown Exposures are Potential Liabilities for Waterwater Treatment Plants. Victoria L. Ostertag, ARM....**Nov '96 p 26**
Use Partnering for Project Success. *WEM* Staff .....**Oct '94 p 19**
Water/Wastewater Industry: Opportunities and Challenges, The. Hampton D. Graham.....**May '95 p 44**
Water and Wastewater Cost and Rate-Setting Trends. *WEM* staff ....**May '95 p 40**
When A City Buys A Utility. Thomas A. Cloud .....**Oct '94 p 24**

Planning, Scheduling & Operations

Aggressive Coatings Plan Fights Aggressive Corrosion. William Angoli... .....**June '94 p 28**

As Program Management Function Evolves, Benefits Increase. Alan Carter **Mar '95 p 26**
Capital Improvements, Contract O&M Combine to Solve Problems. Ian Lisk ... **Feb '93 p 22**
Careful Emergency Planning Will Pay Dividends. Ira M. Markwood and William F. Nabak **May '93 p 44**
Change at Environmental Laboratories. Raymond J. Frederici and Charles R. Maw **Mar '93 p 32**
Contract O&M at POTW Improves Operations, Reduces Costs. Domenic V. Tutela and William J. Payton **Jan '94 p 20**
Contract Ops Partnership Stands Test of Time. Edward Griesenauer and Michael Dougherty **Nov '94 p 27**
Developing Comprehensive Occupational Health Programs. William W. Bosch and James J, Novak **April '93 p 26**
Establishing a Maintenance Program. Donald C. Renner **June '95 p 50**
Issues in Managing Urban Stormwater Runoff Quality. G. Fred Lee and Anne Jones-Lee **May '95 p 51**
Leaders Discuss Trends. *WEM* Staff **Dec '93 p 28**
Long Range Planning for Biosolids Management. Margaret Norton-Arnold, Lisa Fitzhugh and Vicki Fischer **Feb '95 p 25**
Make Your Databases Do the Printing. Charline M. Avey **Aug '96 p 16**
Matching Coupling Style to Application Correctly. Mark McCullough **June '95 p 34**
New Techniques Provide Solutions to Data Communication Dilemmas in Water Districts. Michel E. Maes, James R. Steffey and Mike Chastain **July '96 p 22**
Process/Funding Innovations Spell Success for Wastewater Project. Jim Welsh **Mar '93 p 24**
Process Safety Standard Now in Place. Stephen A. Watson **Oct '92 p 23**
QBS: Who, What, When and Why. Steven W. Polk **May '93 p 24**
Readers and Leaders Review Technology Trends. *WEM* Staff **Dec '92 p 26**
Relieving a Wastewater Utility's Industrial Strength Headache. John A. Metzler and Barbara E. Henson **Feb '93 p 20**
Salary Survey. *WEM* Staff **April '93 p 35**
Samplers Assist Upgraded Plant. **Mar '94 p 22**
Survey of America's Consulting Engineers Identifies Concerns. Richard G. Weingardt, P.E. **April '96 p 17**
Technology Transfer Via O&M Manuals Helps Egyptians Run Plant. Edwin R. Slattery and Brian E. Roth **April '93 p 23**
The Organization of Water Supply and Drainage Services in France. *WEM* staff **Dec '94 p 25**
Using Ultrasonic Inspection for Preventive Maintenance in a Wastewater Plant. Michael Mezykowski **Mar '93 p 22**
Washington Utility Plans Computer Evolution. Charlene Roemhildt **Aug '95 p 22**
Wastewater Treatment Facilities Prepare to Clean Air. Gayle P. Van Durme and Edward A. Kobylinski **Aug '92 p 26**

COLLECTION

Design

Broad Infrastructure Program Includes Capture System for CSO Floatables. Frank Sudol **Sep '95 p 26**
Bypass System Accomplished by Microtunnelling. Lee W. Abramson, P.E., G.E. **Nov '96 p 22**
Multimedia Computer Applications in Control Systems. Keith R. Lenart **Aug '95 p 27**
Program Produces I/I Reductions in Wastewater Collection System. Clark Annis and Bill Davidson **Aug '95 p 34**
Town Stops Over Half of Their Total I & I. George Rosendaul, Richard Engle, and Bob Waite **Aug '96 p 23**

Pumping

An Approach to the Control of Return Sludge Pumping. *Christian G. Hoffman and Howard M. Wexler* **Feb '96 p 30**
Application Possibilities Grow for Plastic Pumps. Ken Commerford **June '94 p 20**
Caged Pumps Fix Paper Mill's Sludge Troubles. WEM staff **Feb '94 p 21**
Fast Action Helps Get Flooded Facilities On Line. **Dec '94 p 29**
Tertiary-Treated Wastewater Irrigates Monterey Peninsula's Recreational Acreage. Ian Lisk **July '95 p 18**
Wastewater Facility Stands Up to California Floods. Ron Rogers **Aug '96 p 25**

Piping & Metering

Big Outfall is Important Element of Wastewater Plant Expansion. Marlay Price **March '94 p 24**
City's Foresight Helps Secure Funds for Trenchless Storm Sewer Repair. *WEM* Staff **Mar '96 p 30**
Making a Choice: Which Ultrasonic Flow Measuring Technology? Stephen T. Lange **April '94 p 18**
Making Sure Cathodic Protection Works. Jeffrey A. Schramuk and Keith Switzer **Feb '94 p 16**
Pinpoint Those Leaks to Save Money. David K. Smith **May '94 p 22**
Pipe Location Technology Has Rich History. John Chernekoff and David Toussaint **April '94 p 28**
Trenchless Technology Keeps Traffic Flowing. Joseph DeMarco and Gerry Muenchmeyer **Sep '93 p 36**

TREATMENT

Design

Aerator and Reservoir Baffling Solve Vinyl Chloride, Coliform Problems. Joe Hastreiter **July '96 p 18**
Aspirating Aeration Reduces BOD Loading in Municipal Treatment System. Darrell T. Davis **July '96 p 30**
Big Wastewater Collection Project Continues on Schedule and Under Budget. Richard Switalski, Jeffrey D. Sharon and Dale J. Sadowski **Aug. '92 p 34**
Control System for Odorous Emissions from Rock Media Trickling Filters. Manuel Ponte and M. Boyd Miller **April '95 p 33**
Engineering Parameters in the Design of Evapotranspiration Beds. Wayne L. Frank, P.E. **Nov '96 p 22**
Equipment Damage and Downtime Eliminated with Drive Motors. *Paul Backes* **Jan '96 p 32**
Niagara Falls: Freedom After Thirteen Years of Hard Labor. Ian Lisk **Feb '95 p 28**
Operations Solution Succeeds Where Science Comes Up Short. Ron Laro and Jim Lauzon **May '96 p 22**
Past, Present and Future of the RBC Industry. Lew/Andowski **April '96 p 31**
Plant by the Lake: A Model of Innovation. Ian Lisk **Aug '94 p 18**
System Profile: Old Mines, Big Storms Tamed in Midwest. Ian Lisk **April '94 p 22**

Primary

Combined System Solves Odor and Disinfection Problems. Roscoe W. Godfrey **Nov '92 p 25**
Programmable Aeration Control System Reduces Plant Energy Costs. Charlie Hewitt **May '96 p 30**
Selecting a Supplier for Wastewater Pretreatment. R.B. "Jones" Grubbs **April '96 p 20**
Wastewater Facility Upgrades Through Instrumentation. Gary L. Davis **Oct '95 p 38**
Wastewater Plant's Success Spawns Chinook Salmon and Freshwater Sponges. Jeanne Spacek **May '96 p 26**

Secondary

Containment Methods for Odor Control Systems in Wastewater Plants. Arie Kepets **June '95 p 42**
Control System for Odorous Emissions from Rock Media Trickling Filters. Manuel Ponte and M. Boyd Miller **April '95 p 33**
Equipment Damage and Downtime Eliminated with Drive Motors. *Paul Backes* **Jan '96 p 32**
Importance of Filtration in Wastewater Reclamation, The. George Tchbanoglous and Onder Caliskaner **Oct '95 p 26**
On-Site Oxygen System Lowers Costs at Wastewater Plant. Ian Lisk **Dec '93 p 26**
Paper Mill Adds Ammonia to Meet Effluent Standard. Brian Morgan, Derek Smith, Sr., and Peter Kerevan **Nov '94 p 18**
Plant Removes Phosphorus to Protect Scenic River. Charles Edwards and Michael Arand **Oct '94 p 22**
Reducing the Cost of Aerating with Centrifugal Blowers. Richard G. Hajec **May '94 p 36**
System Profile: St. Louis Wastewater Project Avoids Flood. Ian Lisk **Sept '93 p 20**

Editorial Index

The Chesapeake Bay: Restoring An Estuary in Distress. Peter T. Worthen ..... Sep '94 p 18
Wastewater Facility Upgrades Through Instrumentation. Gary L. Davis..... Oct '95 p 38
Wastewater Process Lives Up to Early Promise. Murphy Arcemont..... Oct '93 p 28

Advanced

Anaerobic/Aerobic Combination Treats High-Strength Wastewater. Roeland P. Ulrix ..... Feb '94 p 22
California Plant Combines Conservation with Advanced Water Treatment. Kenneth D. Rock and Stephen J. McLean..... Dec '95 p 26
Evaporation: A Wastewater Treatment Alternative. Tom M. Pankratz ..... Sep '94 p 42
High Tech Plant Has to Deal With Maximum Flows. Rob Kennerknecht ..... Aug '92 p 34
Low Head Hydro Powers Wastewater Plant. Richard A. Schultz...July '95 p 39
New Strategy Cuts Plant's Polymer Consumption in Half. Harold Walker..... Dec '95 p 25
Plating Waste Process Includes Microfiltration. Michael Dineen ....Nov '94 p 22
Software Optimizes Steam Stripping Process for Organics Removal. Brian O'Rourke .....Sept '95 p 36
Tertiary-Treated Wastewater Irrigates Monterey Peninsula's Recreational Acreage. Ian Lisk .....July '95 p 18

Disinfection

Changing Control Strategy Solves Chlorine Residual Problems. James Keller... June '92 p 23
Installing Advanced Disinfection Hardware Upgrades Plant. *WEM* staff..... Mar '95 p 24

SLUDGE MANAGEMENT
Processing

Applying Sludge to Agricultural Land—Within the Rules. George J. McDonald .....Feb '95 p 38
Automating Wastewater Flows for Billing: Philadelphia's Success in Process for Profit. Thomas J. Day ..... Sep '96 p 17
Better Polymer Solution Quality Improves Wastewater Plant Performance. Hugh Taylor .....Nov '94 p 20
Biosolids Management Demands All-Around Attention. John Nelson and Peter Wernsdorfer .....Sep '94 p 48
New Energy Partnership: Reusing Wastewater for Cooling at Boeing. Andrew Clapham, Joel Jackman, and Mary M. Lunt.....Sep '96 p 25
One Piece of Equipment Solves Two Sludge Handling Problems. Robert E. Evans and Richard A. Seaburg.....Oct '95 p 44
Optimizing Polymer Performance for Better Sludge Conditioning. Yong Kim ..... July '93 p 18
Restoring Filter Belt Drainage Rates. Greg Land.....Nov '92 p 22
Pathogen/Vector Attraction Reduction Requirements of the Sludge Rules. Gerald W. Foess and Ronald B. Sieger ... June '93 p 25
Scalping Biosolids: A Sludge Dewatering Alternative. Lawrence M. Kaplan ..... Nov '95 p 33
Sewage Sludge Incineration Under Part 503B. Tim Bauer and Ronald B. Sieger ... Oct '93 p 22
Static Mixers Improve Sludge Dewatering Process. Joseph P. Porcelli, Thomas Wojewski and Oula Shehab .Nov '93 p 20
Texas Prison Uses Biological Additive to Reduce Lagoon Sludge. *WEM* Staff ..... Nov '93 p 18
Wastewater Disposal Goes Underground. Craig W. Lichty.....Feb '95 p 18

Disposal

Greening of the Desert. Bill Schoenecker.. Nov '94 p 24
How to Ensure Passage of Wastewater Utility Investments. Margaret Norton-Arnold .....Aug '96 p 27
Land Application Requirements of the New Sludge Rules. Ronald B. Sieger and Gary J. Hermann.....Aug '93 p 30
Long Range Planning for Biosolids Management. Margaret Norton-Arnold, Lisa Fitzhugh and Vicki Fischer ..Feb '95 p 25
New Jersey Wastewater Authority Buys Farmland for Biosolids Disposal. Dennis W. Palmer and Clark G. Shimp..... July '95 p 37
New Surface Disposal Requirements, The. Thomas W. Sigmund and Ronald B. Sieger .....Sept '93 p 30
One Piece of Equipment Solves Two Sludge Handling Problems. Robert E. Evans and Richard A. Seaburg ..... Oct '95 p 44
Practical Guide to the New Sludge Standards, A. Ronald B. Sieger..... Nov '93 p 26
Pressurized Pipeline for San Diego Sludge. Stuart Seymour, Carl Sepponen and Gerry Craft .....June '93 p 21
Sludge Disposal Trends Around the Globe. Diane Garvey, Carmen Guarino and John Davis.....Dec '93 p 17
Using Automatic Samplers to Comply With Stormwater Regulations. Robert Bailey.....Nov '93 p 29
Wastewater Disposal Goes Underground. Craig W. Lichty.....Feb '95 p 18

INSTRUMENTATION
Design

Changing Roles in Control System Implementation, The. Herb D. Fiddick ..... May '95 p 46
Controlled Dechlorination Achievable With New Systems. William H. Nagel ..... Feb '94 p 24
Demystifying Doppler Flowmeters in Sewage Flow Measurement. Thomas J. Day.....April '96 p 22
Integrating SCADA Systems with AM/FM-GIS Technology. Mark G. Wehmeyer ..... July '94 p 18
It's Not A Gremlin, It's Harmonic Distortion. Nick Cicero .....Oct '94 p 44
Lightning and Surge Protection for Electronic Systems in Water and Wastewater Treatment Applications. Mike O'Neill .....Sep '96 p 28
Monitoring Processes Using Wireless Data Acquisition. Steve Cheek and Richard Wilkes .....Oct '94 p 17
Predictive pH Sensor Diagnostics. Richard Payne .....Sep '92 p 26
SCADA System Uses Packet Radios to Lower Telemetry Costs. David P. Clement .....Aug '96 p 18
"Smart" Control System Design. Keith R. Lenart .....Oct '95 p 30
Understanding Spiders and the Role They Play in Jaw Couplings. Mark McCullough .....July '96 p 26
Wastewater Plant Automates Facilities with PCs, MMI and PLC Control. *John Batorski* .....Jan '96 p 18
What is a Fieldbus and Why Should I Care? Herb D. Fiddick.....July '95 p 33
Where On-Line Sensors Are Headed. Stephen A. Wortendyke .....Aug '94 p 23

Operations

Computer Graphics Hierarchy for Wastewater Plant Operations. Tom Valorose .. June '94 p 26
Control System Helped Plant Run Unattended During "Big Flood." Ian Lisk..... June '94 p 30
DCS Installation Gives Plantwide Process Control. Carl M. Webb and Mark A. Waronker .....Aug '93 p 27
Finding the Right Instrumentation. Mark D. Weiss.....Mar '95 p 22
Integrated Data Management Smooths Plant Operations. David Ching ..... Jan '95 p 31
Keep Your SCADA System Working. William Biehl .....Sep '95 p32
Open Systems for Process Control and Information Integration. Tom Valorose .. July '93 p 15
Process Control System Takes Plant Beyond Compliance. Jerry Elledge and Craig R. Wierenga.....Sept '92 p 29
Protecting Electronic Systems from Power Supply Variations. Joe Becker ... Feb '95 p 42
Switch to Dedicated AutoCAD Add-On Package Cuts Plant Piping Design Time. Johnny Franklin .....Oct '96 p 22
Ultrasonic Technology Simplifies Flow and Level Measurement...Dec '94 p 38
